- A. Bill Sakelarios called the meeting to order at 4:00 P.M. at the Prescott Valley Campus.
- B. Roll call: Present - Bill Sakelarios, Candice Chapman, and Julie Grajeda. All board members present.
- C. C Chapman made the motion accept the minutes from the January 11th Meeting. J. Grajeda seconded the motion, which was carried by a unanimous vote.
- D. B. Sakelarios presented to the board the letter from APEHP (Arizona Public Employees Health Plan) stating that the Trust will not be ensuring charter schools after June 30, 2017. Mr. Sakelarios informed the board that he will be seeking quotes from other insurance carriers and benefits providers and will present options to the board as soon as possible. No vote required.
- E. B. Sakelarios presented to the board the need to assign the responsibility of an administration person to act as a Resource Officer to monitor the security of the building, students, and staff. Those duties will include going to county and state ERP (Emergency Response Planning) meetings, developing emergency response guides, procedures, and enact active drills. The Resource Officer has the authority and power to implement school arrest and will act as a liaison with the local police department. The resource officer would also be authorized to carry a firearm and stun gun. B. Sakelarios also asked that the board approve the assignment of Hearing Officer to facilitate decisions related to student behavior. The Hearing officer would act on behalf of the Board of directors in all disciplinary matters. The Hearing officer(s) would be the Charter Holder, Principal, and or the Vice-Principal. A motion was made by G. Grajeda to accept the new roles of Resource Officer and Hearing Officers and not to hire additional staff for those responsibilities. The motion was seconded by C. Chapman. The vote passed unanimously.
- F. B. Sakelarios presented to the board that a local gymnastics center has shown interest in purchasing our building that we currently are renting to RatRace, Inc. d/b/a Anytime Fitness. Given that our current tenant has been delinquent in paying the rent "in-full" each month and has not been paying the late monthly fees that we should enter into negotiations with the Gymnastics company and see if it would be in our best interest to sell the building. He asked for approval to hire a commercial property appraisal company to begin the process to determine the current value of that building. J. Grajeda made the motion to approve hiring an appraisal company and check with legal counsel what it would involve terminating the lease agreement with Anytime Fitness and selling the building. C. Chapman seconded the motion, and the vote passed unanimously.
- G. A call to the public was made – there were no attendees.
- H. B. Sakelarios noted that we needed to set a date for the next board meeting. The next meeting will be scheduled for Thursday, May 25, 2017, at 4:00 PM.
- I. C. Chapman made a motion to adjourn the meeting and was as seconded by J. Grajeda. The vote was passed unanimously.
- J. The meeting adjourned at 5:35 PM.

STATEMENT AND COMPLAINT TO PACE ACADEMY

On November 18, 2019, Madison Jones was given a ten (10) day suspension for drawing on a car with her finger. The other students involved in that incident were given 6- or 8-days suspension. Mr. Turer contacted me on November 21st to discuss placing Madison on academic probation and requested a meeting with me.

On November 25, 2019 I met with Mr. Turer to discuss the academic probation and view the security footage of the students writing with their finger on the car. Mr. Turer indicated he would be having his vehicle detailed and buffed and present the bill to me for payment; he did not indicate that he was seeking payment from any of the other students involved. I asked to see the damage of his car. He declined and, instead, directed me to contact law enforcement.

On November 26, 2019, I contacted Prescott Valley Police Department to meet me at Pace Academy so that I may see the alleged damage caused by Madison Jones that Mr. Turer was seeking reimbursement for. An officer went to the school and could not identify any damage caused on Mr. Turer's car. The police report is attached.

The officer at the premises on November 26, 2019, informed me that Mr. Turer would like to speak to me. I went into the school for a discussion and learned that Madison was being suspended from the school for the entire year. The explanation given for this change was Madison's behavior from the incident of writing on Mr. Turer's car with her finger; no written finding was provided to me; I have requested Madison's disciplinary records and that has yet to be provided to me. I reviewed the Student and Parent Handbook and the Disciplinary Rubric, and I cannot help but come to the conclusion that Mr. Turer's actions is not supported by the Handbook, is inconsistent with the Disciplinary Rubric, and seems more designed to punish Madison for my following his directions to contact law enforcement than to assist in Madison's education. No satisfactory explanation has been provided to me and it appears Madison's punishment is arbitrary and capricious.

I request written confirmation of the 10-day suspension and that no further discipline has been or will be imposed and that Madison is not suspended for the remainder of the school year.

Suspension Notice – Madison Jones

Dear Ms. Carla M. Jones,

In reference to the incident involving your daughter’s (Madison) and the vandalism that occurred on November 18, 2019, it is the school’s authorized Hearing Officers’¹ determination that Madison Jones will be suspended from school until the end of this semester. She will be allowed to return to PACE Academy on the first day of the second semester, Monday, January 6, 2020, at 8:00 am. This change is in place of the original discussion of long-term suspension to the end of the school year.

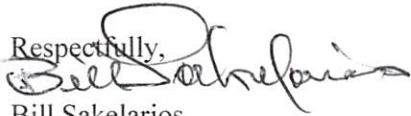

Failure to return for school on the first day of the second semester will be an indication that she does not want to continue at PACE Academy.

Upon Madison’s return, she will be placed on the Academic and Disciplinary Zero Tolerance Contract.

This means that academically, if Madison does not stay current and on track with her assigned curriculum and maintains, at a minimum, a C grade average that she will be asked to leave.

The Zero Tolerance Behavior Contract refers to strict adherence to all school rules and regulations, as outlined in the Student Handbook. Failure to follow any rule will result in immediate expulsion.

You and Madison will be required to meet with the Principal, Mr. Turer, on the first day of the second semester to go over and sign these two binding agreements.

Respectfully,

Bill Sakelarios
Director
Board President
